I had the privilege of working with Virginia at Spring Creek. She became so much more than a co-worker... She was a wonderful friend, mentor, and mother figure. She was always there to talk to about anything and was an amazing support system when I lost my mother. I can say whole heartedly that she was one of the most incredible people I had ever met and I will always value the friendship that she gave me. I miss seeing Virginia everyday, but I know that she is in a better place. My condolences to the family and to everyone else that had the privilege of knowing her.

I was blessed and honored to be given the opportunity to be a part of this beautiful woman's life. I worked with her where she introduced me to my husband, Steve, and not only did she welcome me into her family but welcomed my 3 girls and my grandson. I will truly miss her but know she is at peace and singing with the angels. I never once saw her mad or say a bad thing, she loved life and loved the Lord. I love you Aunt Virginia and will truly miss you. Amy Nolan

Virginia was one of the most caring, kind, and sweetest woman I have ever met. She never said a bad word about anyone. If she started too, she immediately asked for forgiveness. I will miss her, not only for the great haircuts, but for the time I got to spend with her, working with her at Spring Creek and after I retired. Rest in peace, Virginia. If anyone deserves that, you do. Clara Settle

Virginia had such a loving heart and caring spirit. When things in her life didn't go as planned, she never gave up. She always said, "it will be alright." no matter what happened. She is happy now in the presence of Jesus, free from pain and the cares of this life. She was our friend and we will always miss her. Judy & Charlie Tracy

Virginia was an amazing mother who loved her family so much! She was an a wonderful friend, one I could always talk to and pray with. She was a very talented paraprofessional at Spring Creek. Virginia loved the kids and was an awesome teacher for those who needed the most help. She could be feisty! I will miss her dearly. I am so thankful to know that she is at peace and I will see her again. My thoughts and prayers are with her family and all who loved her.
