Dear Pam, Sherri, Nancy, Brent and Todd; A week has passed since Glenn left us. I know that the pain still lingers in your hearts as it does in ours. We spent 4 short years working, living and laughing with him and each day we keep expecting him to walk back through our door. We wish we could make that happen but God had other ideas. There were still plans to be made, jokes to be hatched, fishing, skiing and retirement plans to be contemplated and a jug or two of adult beverages to be tasted. We miss him dearly. If there is anything you need .... we are here for you. Love. Mike & Elaine.

My heart was saddened to hear of Mr. Little's passing. I had the privilege of having him as my band director, private trumpet teacher and friend. He was a great mentor, and a truly fine man. He would always encourage me to do my best and to keep pushing towards my goals when the going got tough and I always knew he believed in me. He's the one that pops into my mind whenever someone asks the question, "Who was your favorite teacher?" It's true that teachers don't get rich, but my life is richer for having him in it. My prayers are with Pam and his girls that he adored! Rest well in His arms dear friend and know you made a difference. My condolences to the family and the loss of a brother TBI. Some of the best parts of life was the summer Glenn and I painted houses with Buck Courtney. Every day was hysterical laughter and events that could only be told in long stories. You will be missed but the stories will always keep you alive with me. Tom Burnett
