Uncle Mike, our hearts are heavy for the passing of Aunt Sam. What a beautiful person she was. Aunt Sam was one of the most loving and generous people we knew. There was always an open invitation to yalls home with plenty of fun and laughter on the menu! Randy and I always had a wonderful time visiting yall and our kids always looked forward to yall coming through to visit. She was always so interested in what each of our children were doing and oh my, those trips to Wal-mart!! Let's just say it always looked like Christmas when they returned! She will be greatly missed, but we are comforted to know she is no longer suffering. Until we meet again, Aunt Sam....With Our Deepest Love,Randy, Nancy, Mitchell, Thomas, & Olivia

Mike and Family- May you find some peace in the days that lie ahead. Your special lady "Sam" meant so much to so many of us. Don and I had the honor and pleasure of working with this fine lady for many years. We say from the heart that she was truly "one of a kind - Special". Always ready and willing to lend a helping hand, and of course offer up one of her ever so heartfelt "Smiles" along with a funny - quick witted word of encouragement. We will miss her dearly, and know that we were blessed to have had this Great Lady touch our lives. Sending you all of our love and prayers.Sharla and Don Green

When Sam came into our family she was a ray of sunshine! We were so fortunate to know her and call her our own. She was so loving and kind and so much fun to be around. My children loved when she was near. Her and Micheal always welcomed them to their beautiful home and made sure they had a wonderful time. A very special lady and kind beyond measure, always loving, smart and beautiful and she loved life. Rest in the arms of your savior Sam. We will miss you terribly but will see you again one day in the resurrection. To God be the glory, love Nancy and Tommy

Aunt Sam was that "one-of-a-kind" aunt! She was always so loving and generous to us, to our children. Never a dull moment and always fun. Whenever we visited her and our Sweet Uncle Mike, she always made sure our kids had plenty of bubble stuff to play with, and we'd spend hours outside blowing bubbles to their hearts' content. Our memories of her will always be so tender and special. Our hearts ache with her loss, but we will look forward to seeing her again in Eternity. Rest with Jesus, Sweet Aunt Sam. With all our love, Paul, Beth, Kaitlyn, Hannah, Josiah and Joel

I lost one of my dearest friends. I love you Sam. You were taken too soon from us. You were one of kindest people I have ever know. We had been together, you, Mike, Joe and I for so many years. My favorite story about us is that we were friends for a such along time, yet but both of us eloped and got married on the same day...of the same year and did not tell each other until the next week.. April 11, 1987. Too funny. You gave me two of the best children I will ever know, Putter and Palmer. You and I supported each other through crappy times in business, personal challenges, but most importantly, our friendship was forever a special thing, no matter the distance in miles. I will miss you my friend.
