Grandma...I never called you by your name Millie out of respect..You were like a mother to me for over 43 years..We had a lot of good times camping, fishing ,watching the Miami Dolphins play on Sunday and watching the stock car races..I became a member of your family marrying your daughter Pat.The best thing that could happen to me..You are the rock to this family.Always at your house for holiday dinners..So rest in peace grandma.

Little Granny was the first person I took for a ride in my little hot rod, I pulled in her drive way and she said lets go for a ride! Driving through her neighborhood with the roof down and she had this big smile the whole ride... She even told me to move over so she could show my how to drive it. Whenever she was introducing her grand kids.. She always included me. I will miss her fire and her spunk. Please watch over us until we meet again, rest in peace.
