Marie was one of the best friends a person could have. She loved to take a trip to our little house in SC and when our son planted two trees in our front yard there she instructed him to plant a red maple for her. He did! She will be sadly missed. Georgia Watson

A wonderful lady and a treasure to have counted as a friend. Loving, kind, witty, and remarkably strong---you will be long remembered. My thoughts today go to the family she so adored.
