Our youngest son, Nathan was about four years old when his Sunday school teacher decided to have a sleepover for all the children who wanted to come to her house and spend the night. Us, the parents thought, "Is she sure she wants to do this? That is a good handful of little ones to spend the whole night!" Yes, she wanted too and "it will be great, we will have a great time all sprawled out in my living room watching movies, eating popcorn, playing games, etc". We all agreed. Nathan, on the other hand, was a bit skiddish about spending the night anywhere without mom and dad. But he went and had a fabulous time! Connie made him feel special and comfortable that night. I knew he was in good hands. When we picked him up the next day, he came running smiling and said, "Miss Connie's house is FUN! " She did make things fun for all the kids. She shared the love of Jesus with every single one of them and they knew who Jesus was through her eyes! We love you Connie!
