Our breaking hearts are with you John, Gayle, Steven, Joey & Jake. So hard to loose Danny, long before it was his time. We all hold on to the Hope that will reunite us again. No more suffering for his hurting soul-now that he is with our merciful Lord. We will always smile remembering his half snicker when something amused him. God bless you all this grief filled day. Remembering when I first met you - Uncle Greg baby sitting and taking you and your brother, Steve, for a walk to North 11th Street where I lived. Steve was sitting in the stroller and Dan - you were riding all smiles while hanging onto the stroller while Uncle Greg pushed you. Rest in peace, Danny.
