I remember when we were little girls and play with paper dolls in the spring and we would pick wildflowers for our Mother and so many more precious memories. I love and will miss you my dear sister and friend. You are safe in the arms of God and will see you there.

I will miss my wonderful and tenacious Aunt Mae. She was a caring loving very giving person to anyone that needed anything. God gained an Angel. We were very blessed to have her in our lives as long as we did. Enjoy the peace and love you now have in heaven Aunt Mae.

Ms. May was a dear friend of my family and I. She was a very dedicated Christian: a virtuous woman--(a Proverbs 31 woman). Over the years, she has always been so hospitable to my family and I: she had us over to eat the most delicious food many times! Besides being an excellent cook she was a great friend and listener. She always put others first! I am going to miss her so, but I know she is happy to be with her precious Lord Jesus Christ, her beloved Diana Gail, and her beloved Nelson!
