I was Craig's Administrative Assistant at the Lake Mary Fire Department. I can honestly say that he was the best boss I ever had in my 30 year career history. He was kind, patient, professional, and LOVED his time off from work every year to go hunting! May God restore peace and healing to his remaining family. He was such a blessing to know and I will always remember him.

I imagine Chief is sitting up in his tree stand right about now with a good book waiting on the right deer to walk by. I personally learned a lot from him working for him for 14 years, it was a pleasure and I am proud to call him friend. To Maria, Matt, Kara, Dan, Chuck, Joan and numerous other family members and friends, may many fond memories and knowing how many folks loved and appreciated Chief bring you a form of comfort in the times ahead. He will be gone but not forgotten. Rest in peace my friend.
