Mr. Veazey, as he was known to me, was such a good soul. I always felt like part of the family and remember many relaxing times sitting on the dock, chatting with him as he sipped his Cutty. Rest in Peace.

This hits hard just as he was part of my family. I so sorry to hear this and my memories go all the way back to first grade where the Veazey family was basically my second home. I have always loved the whole family as much as my own and wish that peace be with you as Bob as left his earthy body and transitioned into a heavenly being

I was very sorry to hear about the loss of my "ol ball coach". I played many years of Winter Park Little League, but none compare to the few with Coach Veazey. He was a great and fair man to every one of us that were lucky enough to play for him. Jan, Bob and Tom, you are in my thoughts and prayers.

Dear Jan and Family, We were so sad to hear of Bob' passing. I will always remember the kindness you showed our family. I treasure the good times our old foursome had traveling all over central Florida playing golf, Bob, Kenny Ford, Larry Betsinger, and myself. We had great fun at parties and out at the lake. If there is anything we can do to help you or your family please call. Our thoughts and prayers are with you and your family. Our deepest Sympathy, Bob and Joanne Braheny (407-760-9782)

Dear Mrs. Veazey, Bob and Tommy, I have so many great memories from your family. Going to the lake house and experiencing "Good Life" to hanging out in the neighborhood. The one constant was your dad. He always had that Veazey smile upon his face and was always friendly with his Grizzley Adams handsome look. He was the only person I knew that had a the biggest bottle of Cutty Sark and to this day everytime I see one of those bottles I smile remember the "Good Life". Rest well Mr. Veazey. Please accept my deepest condolences for your family's loss.

To the entire Veazey family, Many years ago I worked with Tilden, Lobnitz & Cooper Consulting engineers in Orlando and Bob was one of lighting reps. Bob was always smiling and willing to help and support any of us during our lighting design. I seemed to have forgotten how fast time flies but I never forgot those colleges we worked with all of our professional lives. I have many fond memories of Bob. We wish your entire family the strength to get through these hard times, especially during the holidays. Take care and may God Bless you all. Respectfully, Victor & Barbara Gustin
