Kenneth A. Labo lit a candle in honor of William.

Bill will always remain in my heart as my second father knowing him for over thirty years he was always giving in so many ways and always understanding. I will sadly miss his humor and wit . RIP Bill :-((

Worked with Bill for a number of years at ECC, he was a great engineer and a wonderful associate to work with. Sorry to hear of his passing, but sounds like he had a great life and family. Thanks for everything, Bill.
