Yvette Hagerty lit a candle in honor of David.

We so many memories of David it's hard to pick just one. We haven't seen him for quite some time as the miles between us made it hard. Our hearts are heavy with sorrow and we are still in shock of his untimely passing but we know that he is with God and we will see him again someday. I had the privilege of calling him my cousin and God Brother, I always remember him smiling and joking around and that is the way I choose to remember him. Our last conversation ended with I love you cousin and his response was I love you too and I will call you soon. I will hold that in my heart forever!! We will miss you David and I will miss our conversations. We are here for you and the boys Jessica please do not hesitate to call. With all of our love, Tony and Yvette Hagerty

Even after 14 years of marriage he still always opened doors for me and in the mornings he'd wake me up by kissing my face and singing "You are my sunshine, my only sunshine, you make me happy when skies are grey, you'll never know how much I love you. Please don't take my sunshine away" Baby, I know how much you truly loved me and these kids and nobody will ever really understand the love we have/had for each other. I LOVE U MORE THAN LIFE ITSELF TOO!!!!!!!

I remember him working so hard to fix the AC on my RV, it was so hot and muggy, yet he just stayed with the job, he will be missed by many. Z
