On the off chance someone in the family may read this, my name is Terry Lee Martin of Gallatin, Tennessee, and am a descendant of the Franklins and wish to connect with a Kirkpatrick family member in order to share old photographs I have inherited that depict Nannie's parents and other relatives. What a blessing to smile and laugh as we think back on our lives together with Nan ... flying in to Leesburg, Amoco, Jack scratching his bald head with his short finger, Nan's warm hospitality and laughter, Jackie's E Type collection, Suan's cheer-leading and wedding to "Hot Dog." Franklin driving the mower over the terrace wall and Leslie's "Her-ami!" We have been forever enriched by having Nan in our lives! Blessings and Christ's love to all. Wow, what a great Christian lady, wife, mother, grandmother, great grandmother and long time bleacher climbing basketball fan and friend!! Jeannie and I were so honored to have known Nanna and Jack and to have shared some very precious times with them after our move to Eustis in 1990. Saw her recently at Perkins with some friends and had the pleasure of a short visit and her warm loving smile. She will forever be embedded in our hearts as a very special gift from God to all of her family and friends. Thanks Nanna for the memories. Dave & Jeannie Reed

Dear Suan, Fred, Franklin, Angela, and family, May Gods peace surround all of you during this time of your loss. What a beautiful woman Nan was to all who crossed her path! Never about herself, but always with a smile to please others and to ask how they were. We will miss seeing her at the games and with you and your beautiful family. May God rest her soul as we know she is celebrating now. We love you all. Byron and Monica Shelton
