Jackie was truly a Southern lady through her mannerisms and kindness. I taught with her for several years at Mosley High School and really missed her "Roll Tide" attire when she retired. Jackie always had a smile on her face, kind and encouraging words for everyone who came in contact with her, and, to me, she was the best English teacher that Mosley has ever employed. My thoughts and prayers are with all of you as you grieve during this time. Jackie was indeed a precious lady. Soli Deo Gloria, Sandra Weber

Mr. Tramel, Mrs. Jackie was certainly one of the kindest, sweetest colleagues that anyone could ask for. My wife and I certainly had fun ribbing back and forth with her over Alabama and Auburn football. As you know, she was truly a gem. Our thoughts and prayer are with you and your family during this difficult time. May God bless and comfort you until you are both reunited. Sincerely, Bill and Shandi Payne

Jackie was a wonderful woman, teacher, and colleague. She took it upon herself to be the social chair of the English department at A.Crawford Mosley High School. She orchestrated our celebrations and events with ease and made our workplace feel like home. Jackie was a positive role model who was willing to try new things. I will cherish her memory always. To her family-- our thoughts and prayers are with you during this difficult time. Love, Lisa and David Gibson
