I met Raquel when she hired me to work under her at Leesburg High School. She was a wonderful lady, and to this day I still use everything she taught me about working for the school in the cafeteria. She will be greatly missed.

I met Raquel when I was working at Holiday Inn of Leesburg in the early 1970's. She was a beautiful lady both inside and out. She raised three beautiful and sweet children that I had the privilege of working with and still am happy to claim as my own. Her family was the most important thing in her life. As a side note, she also made the best fruit cake I have ever eaten. I am sure she is telling you now: I am free, I am following the path God set you see. I took his hand when I heard him call, I turned my back and left it all. Perhaps my time seemed all too brief, Don't lengthen it with undue grief. God wanted me now, He set me free. I am here if I can help, Your other MOM
