I also remember the trip to Lancaster. We were following Jack and we both drove thru the wrong toll (something like EZ pass now).We both pulled over and walked back to the toll attendant to pay. The toll attendant was not happy.Just trying to be honest.We all laughed about it later. See you later Jack.

Oh yes, Who could forget the corn maze. I never laughed so much in my life. Also the Christmas parties that Jack and Carolyn had at their home in Ossipee. They were the best Hosts. Those were always fun. But we know where he is today. He is with the Lord. We will see him again.

I remember our trip to Lancaster PA. One of the things we did was a corn maze. To this day we smile at the memory. Well, Jack was sure we should always go right and everytime we came to a decision point he would say we go this way. Well, we finally had to get help out of the maze and laughed the entire time. We had a great weekend with our friends. We will miss Jack's smile and his laugh. See you again my friend.Tris and Jan Fowler

We treasure our friendship with Jack..a kind,compassionate, genuine follower of Christ. During the ten years that we've known Jack , the joy of the Lord has been his strength. He has endured more pain than anyone we know, but continued to have a wonderful, infectious laugh. Jack adored his wife Carolyn who supported and cared for him way above most wives. She has been his angel all these difficult years. We love you Carolyn! We are honored to be called friends of this warm, gracious man. With our love, Ric and Vicky Hubbard

Our deepest sympathy to the Boyer family at such a sad time, our hearts and prayers are with you. Jack and Carolyn were wonderful neighbors in the Bluffs. Once i got to know Jack i realized what a thoughtful and generous person he was. He truly believed in his faith which i believe kept him strong through many hard days. Even during his hard times he always was positive and had a story to share. He was fond of his neighborhood and the general well being of society. I look back at all our conversations and can still hear his chuckle at some of the things we spoke of. He loved to talk about politics and we ultimately agreed on many issues. He had a good heart and was so pleasant to Kathy, Lindsay and Me, he will be missed!

Carolyn, I am so sorry to hear about Jack. I know he has not been well for quite some time but it is never easy. Wish I had known him better. We had a lot in common, both being USN Vietnam Vets. Hope you are finding some comfort in the 50 years you had together and the beautiful family you created. Gary Cowles

We absolutely love Jack and Carolyn. We fondly cherish the time spent in Texas, and the recent reunion with them in North Carolina as we treated them to NC barbeque. May God bring comfort to the entire family! Jack is home, and we will see him again. We love you all!
