Tommy - A terrific guy, family man, wonderful husband to his beloved Carol. I knew Tommy for many years and I could never say enough positive and good things about him, Individuals like Tommy do not come around very often and I will treasure the time that I was honored to know him.

Dear Carol, My thoughts and prayers are with you and your family during this difficult time. It was so apparent how much in love you and Tommy always were. You light up every time you would share stories of building your home together (especially ones that involved bears!). I hope that the bounty of beautiful memories you have together will bring you comfort. Love, Christine
