Lee Canfield what a man. A Father to my wife, a Grandfather to my children and a Father in law to me. He taught us all with his wisdom, his stories and his humor. I can never express how great it was that he accepted me into his family and he always treated me as a son. My repayment was to raise a family he could be proud of. Through my tears I hear your voice, I hear your laugh and I see your smile. I will always carry you with me. I was blessed with a Great Father in-law. you will be missed!!!!!!Lots of Love (lol)Tony

Grandpa, It's really hard to put into words just how special you always made me feel. You taught me how to hook a worm, how to hold a fish, how to drive a boat, you taught me how to always have a sense of humor..I'm doing my best to smile through the tears, fortunately I have a lot of great memories that I will cherish forever. You're the best grandpa a grandson could ever wish for.. I love you grandpa

We are so sad to hear about Lee, we live next to Lee and Mary Jo at MFL. We were not in Leesburg when we heard the news. Lee was to us a wonderful man, a man who loved his wife so very much and took wonderful care of her. He was a devoted husband. I know Mary Jo is heart broken as his children and family are. We are going to miss him so very much. It's not going to be the same without him. Loved you Lee, Archie and Debbie Stanaitis.

Dad, I will miss you so very much! We were able to witness first hand what it is to Love somebody so selflessly like you did Mom. You exemplified Patience, be it in the way you took such good care of Mom or taking 3 grandchildren Up North! You were always ready to help with "household " projects. You taught us that a good days work never hurt anybody! Dad,you will be missed so very much. Thank you for all that you have done for Tony and I and Tony 2 and Megan. Rest well Dad.Love,Kathy
