Mr. Troy Luke Baylor you are one of my best friends in life and always will be! You were one of the first people I met when I arrived in your town!! :-) And I am so saddened by your beautiful life taken so early.... I love you with all my heart brother!! There are so many memories of you that I have, but the one that sticks out is the way you could make the whole world laugh with your sayings and trust me we all know what I mean!! You will never be forgotten my brother!! I will miss and cherish every moment I spent with you and the memories I will live thinking about you.... I love you Troy Luke Baylor, thanks for allowing me to know you and your heart!!!

Troy has always had a place in my heart. When he was a kid he would come to his Aunt Vicki's during the summer. And then he would come stay with us some and swim in the pool and play with my kids. And we would take him hunting some during hunting season. He was a pleasure to be around. Troy has gone to a better place. There is a hole in my heart. Rest in peace till I see you again.
