I just found out about Joe. We went to school together from 1st grade to 12th. Joe was such a caring, fun, and enthusiastic friend. I am so sorry that he is gone. Joe always had a smile on his face and a heart full of love. I will never forget the laughs we had. God bless you, Joe.

I loved working with Joe at Lowe's, he has the same kind of smart alleck sense of humor that I do and we always enjoyed aggravating each other. The first time I pulled into the parking lot to open the store and his truck was in it's normal spot I realized how much he would be missed. I am grateful to have been able to be a part of his all too short life. All of the hurricanes in heaven have been joined by a true and die hard fan. Now they get the pleasure of his company that we got. JT

I was afraid, I had been with Lowe's 15 years and I was transferring to the Mt. Dora store. I had heard that I'd be working with two men who really knew Millwork (Doors, windows and trim). I got this great email from Joe who was to become my boss and he said that I would be a breath of fresh air and that he "and John are just a couple of old men". He sent two more emails welcoming, reassuring me that this was going to be great. He was right. It was just too funny to sit between Joe and John Mormon. Oh My, what a pair. It just feels lousy without this great big bundle of friendliness.

What to say about Joe was absolutely my friend. I will miss that witty banner that he and I have about Miami and the Gators. If it were possible I would switch to Miami to get him back. Giusep you will always be missed and I will see you one day.

Joe was such a sweet man and a great person to work with. He was like that silly uncle you have that always had a great story or joke to tell. He would do anything to put a smile on your face. He even shared the wonderful bake goods his wife Holly made for him. Saying how wonderful it was to have such a good women and he didn't deserve her. He always thought of other people and now it time to put Joe first. He will truly be missed by Lowe's and especially by me. It definitely will not be the same with out him here at Lowe's. We Love You Joe!
