One of my early memories of Christopher as a little boy is when I gave him a hammer and nails which he used to challenge the tires in our truck garage and nail a board to Jack and Eve's carpet! From the beginning he wanted to be a part of the Tropical team. Easy to smile, quick to understand, eager to fix. Chris, you will be missed...but God will have things for you to repair in heaven. Our nephew. You were about a year old when you came into our lives with your blonde hair and sweet personality. My favorite memory of you at about age 4 singing Take it to the limit with Jessica who was just a breath older than you in my 69 chevy Impala . Can't believe you are gone! You will be missed by all whose lives you touched.Aunt Cee Cee and Uncle Russ.....
