A MAN WITH A HUGE HEART: I met McNabbs 46years ago. I had just moved to St. Louis area after graduating from Iowa State. Immediately, I ran into my first problem... I needed transportation. I could buy a car but no one would sell me one because I had no credit. I presented my problem to mom McNabb because they were the only ones I knew in St.Louis area. That evening McNabb asked me to come over for dinner. First thing Dad did was to go with me to the car dealership and co-signed my car loan application...
