He had one of the most amazing crooked smile's I've ever seen. His smile would light up a whole room and change your mood in an instant. My favorite memory of him was him sitting outside and his hair blowing all over the place. I LOVED his hair . I'm so honored and blessed that they opened their home up to me and allowed me to care for them . They treated me as if I was one of their own Granddaughters . You were an amazing man and you will be dearly missed and always loved. My heart goes out to his family .
