Clint & Cindy, my heart breaks for you. I know your pain, there is nothing worse than the death of our children. I was in SC (related to Myranda's murder trial) when I heard about Sammy & the funeral. That is why I wasn't there with you. I would like to get in touch. I will send you a private message on FB. The pain we share has no words that truly describes what we're going through. Much love to you both. Penny Smithers.

I first met Sammy when he came to my house to pick up a table for his mom. He was friendly and happy. I saw Sammy at his parents house for a function and he made everyone feel comfortable and made us laugh over his moms many animals. I feel the pain for Cindy, Clint and Misty. I love them all. My prayers are with them and will stay with them as they work to continue their lives. Love, Linda and Don Marshall
