My aunt was a stand/up lady full of love and grace .She taught me that the glass of life was always at least half full a very strong woman and I already miss her wonderful smile. I wish the best to her family and friends I know she would expect you all to be strong and find your way, moving forward in your lives. .With my deepest sympathy and love Mark Baker..

Mary Jane Seward was an Angel God allowed to live on this earth for 76 years. She was MiMi to me & I am so grateful to have had her in my life - both to love her & to have her love me. She loved life & was gracious to everyone she met, both in word & deed. She was full of love & life. She loved God, her family & friends. She was generous to all she came in contact with. While we here on earth will feel a great void with her passing, it is certainly heaven's gain. MiMi, I am so happy you are finally home - free from the many ills & pain you endured here - celebrating with your family & the angels in heaven. I won't say good-bye...just, I'll see you in a little while. I love you so much, Glenda
