It was very difficult to receive notice of Jodie's passing. I will always remember the times we spent at Grandmother Isphording's Levittown house. Running and chasing each other. Eating the cookies and candies. I am sure your mom will be watching over you and your family now. She is experiencing the Glory of Christ. God Bless Steven Isphording. To Joanne's family - I'm so sorry for your loss. I first met Joanne a long time ago at Winter Park Hospital. She taught me how to draw blood, and how to be good to our patients. She encouraged me as I was in college while working as a phlebotomist, and later when I was working as a technologist. I will miss her smile, her laugh, and her caring.

She and Jim were such good neighbors and friends way back in the day on Lee Road! I never stopped thinking about them and their beautiful children! So very thankful Joanne and I reconnected on Facebook - and so glad Katrina, Krista and Dutch embraced my friendship, too. I will miss her so much. but I am comforted by the absolute assurance that she and Jim are together once more. Katrina, Krista and Dutch, please think of me as an absent aunt that loves you so and if you need me I am right here. Love and prayers to all of you who loved my friend!

We had a lot of fun times growing up when we went camping. One time we were fishing with Pop-Pop and Joanne casted her line. We didn't see the line go into the water, so we looked around. Pop-Pop Sid "Don't move, the hook is in your back!" He carefully got it out. We have laughed about yhat many times over the years. Rest in peace, little sister!! Love, Barb and Dotti
