I was so sorry to hear about Yvonne. I knew her mainly through my Mom, June Hale. Mom always thought a lot of her and talked about how kind she was. I remember how pretty she was and what a lady! My heart, prayers and blessings go out to the whole family. May she rest in peace as she has gone home. Nancy Hale Mead

To our precious friend and "other Mama", Yvonne Hately..... there are so many stories from our childhood where we would run to her house and sit at the kitchen bar telling her and Gene our troubles or our secrets, and she, especially, would always have a solution... then we would calm down, and then we would laugh and laugh together! She was our treasured Mom! She was also our confidant, for example when Jerry was kicked off the high school football team (because his coach's wife saw his brother and his friend smoking cigarettes behind the gym and reported to the coach it was Jerry smoking - not true) it was Yvonne who talked to Jerry and made him realize that he should suffer the injustice and stay in school until he graduated. Per Jerry that was the best advice he EVER had! We will miss her so much. And we just know upon her way to Heaven she RAN to her beloved Gene, whom she has missed for such a long time now. You rest in peace now, sweet lady. Love, from your fans Jerry and Mary Jane Ray~~~~~

I knew Yvonne and Gene through my brother, Joe Lister, who was married to Becky. I knew her in our much younger days and remember her as a bright, vibrant person who always had a big smile and hug for anyone in her path. May she rest in peace with her wonderful husband and her loved ones who passed before her. God bless the family and may they receive peace and light during this time of grief.
