**April Jolly Swindle** lit a candle in honor of Marie.

Sorry for your loss. Sissy and my dad have been friends since they were in middle/high school. I am now 43 and met her for the first time when I was 6-7 years old. Her, her husband, sons and daughter stayed the summer in our home. She was such a pleasure back then from what I remember and on a recent trip my father Randy Jolly had made to Florida, he and I drove to Sissy and Timmy's home. Again it was such a pleasure to re-meet them and the family, grandchildren and all. The world had a great loss but heaven gained a beautiful angel. Love and prayers to her family and friends. Fly high Sissy.
