Hostess with the Mostest, Adopted Mom to the the whole EHS Class of 1971 (and so very many others), fellow Marine, unbelievably grand listener/encourager/supporter. God shared with us such an example of dignity, grace and love - and no shrinking violet, either! Thank you, Lord, for your New England daughter's special presence in our lives. Dottie, we love you so very much ...Love and Semper Fidelis, Keith Oliver

Sorry that i missed this one... I was glad to see her at my grandmother's service in March. She was a good friend and certainly a neighbor to depend on at a time when the distance to your nearest neighbor was measured by the half miles.I know she'll be missed by many.

Mr. Crawford, You and your wife made a little girl feel special, cared for, and welcome when she arrived in Eustis in 1980. I hold you both in my heart alongside my memories of lovely home-cooked meals, hayrides, and playing with your dogs while the adults chatted about adult-things. Thank you both! Best wishes, Michelle (Whisnant) McLaughlin

Dottie had a profound impact in the lives of so many young people who were fortunate enough to be a student in her class. She knew the English language and wanted to be sure her students did as well. She is the reason my girls both have such a solid foundation in grammar. But she also loved literature and made it come alive. She lit the flame that has never been extinguished in my daughters, and they in turn have passed the light to their children. A Teacher Par Excellence! What better legacy could one leave behind!

Fun-filled hours spent at the toy store...sunny days walking along New Smyrna Beach...sing-alongs at the lake, great neighbor. Dottie was always smiling, had sparkling eyes and an absolutely infectious laugh. She was a long-time, treasured family friend and she will be remembered and missed .

Dottie was a true pioneer when Eustis Middle School opened in 1970, she was a Super Teacher and had a great heart. I was very lucky to have had the opportunity to be a coworker along side her, she was a cornerstone in the lives of her students. Dottie will be truly missed, but her legacy will live on through the lives of her students that are still influencing the world. Rabun Reynolds
