Christy and Trey (and families) Your momma will always have a special place in my heart. After spending 18 years working for your dad, we became close. She would always give me heads up if he was in a good or bad mood and vice versa on his way home. She was ALWAYS in a good mood! I will forever cherish our talks and many laughs. She had the kindest soul and never knew a stranger. I will miss her dearly and am glad I had the time I had with her. Now your momma and poppa can celebrate together! Heaven sure gained another angel!
