**Danell Dejardine** lit a candle in honor of Eleanor.

The peace I have in you leaving me is you are out of that bed and with my mom and dad. I can't imagine what Friday night dinners are like up there and they have the best places to get dungarees. You have been such a huge support in my life and loved me unconditionally. I can't wait to see you soon. Carolyn I know it hurts try to remember all the good times. And Crystal for all the care. When I see a beautiful sunrise ocean mountain flower I will know you sent it to me. I love you with all my heart.
