Bobby was a great coworker and friend. He was my go-to guy to understand construction. He was always helpful, always hard working, and always had a good attitude even if he was griping about something. Bobby was a good man, and we are all fortunate to have had him in our lives.

I knew him as Daddy Bobby. Oddly enough, he was my Mom's first husband and even though their marriage did not work, he never once treated me or my children other than as if we were family. My heart breaks for Lynn, Kim, Brandon, Sissy and Brent and grandchildren. He will truly be missed!Carol Porter

My heartfelt condolences to Bobby's family. I met him in 1969 (I was 19 and he was 24) when I was a senior at Umatilla High School and working part time at the Umatilla Bay gas station. Bobby was a sort of manager for all the Bay gas stations in the area. We became friends and had some fun times together. Although I haven't seen him in quite a few years I will still miss him and count it an honor to have been his friend. May God comfort his family during this time and may Bobby rest in peace.Ron Gibson
