I had no idea that Buck passed away. I had known him since junior high school; we were neighbors in Eustis, FL, for several years. In fact, the young Buck had as a pet his owl Yehooti, and I can still see both of them on the back porch, Buck the good student studying at a desk there while Yehooti was somewhere nearby. Buck was a military hero in Vietnam; I even mentioned that briefly in one of the books I wrote and published for a client. Now that I'm back in Florida, however briefly, I had been thinking about Buck, and now I have run across his obituary. Rest in peace, my friend Bonnie, I know that it's belated, but my heart goes out to you and your children. Nancy

My heartfelt condolences are offered to the family of "Buck" Robinson. We were inseparable as neighbors and friends on "Sunnyside Drive" during the late 30's and early 40's. His families relocation to Eustis early on during our formative years was a tumultuous time. The clock and distance has not diminished the remembrance of our joyous youth. I pray that time will mute the distress of Buck's passing and that only memories of love prevail."Bunky"
