JUN 10, 1921 - FEB 28, 2016

Frances Crane Duprez Schulman Age 94 of Eustis Florida

Daughter of Bernard Chatman Crane and Maude Angele Knepper. Frances was born in Pueblo, Colorado on June 10, 1921. She moved to Colorado Springs, Colorado at age 7 and graduated from Colorado Springs High School where she was a cheerleader. She attended Southwestern College in Winfield, Kansas where she met and married Louis E. Duprez, a professional golfer, on February 4, 1940.

They moved to Los Angeles, California for Louis to play on the golf tour. Frances transferred to U.S.C. where she majored in Voice and graduated in 1943. Because of World War II, the golf tour was suspended and the couple moved to Colorado. They moved to Austin, Texas in 1956 where she was President of the Women of University Presbyterian Church. In 1964, Louis and Frances moved to Oklahoma City. Frances was President of the Art League, President of Oklahoma Hospitality, and National President of Tuberosus Sclerosis Association.

Louis and Frances retired to Florida in 1980 and lived in Century Village in Pembroke Pines where Frances acted in the Repertory Theater and was a Rockette dancer. Louis passed away October 28, 1995 after 55 years of marriage. On December 29, 1996, Frances married Louis' best golf buddy, Murray Schulman. Murray died in September 2001.

Frances was preceded in death by her three sisters: Genevieve Black of California, Lucille Thornton of California, and Gertrude Siebers of Colorado. Frances is survived by two children: Carolyn D. I always called Mom my "favorite mother-in-law." She called me her "favorite son-in-law." For over 50 years, since 1960, she was an important part of my life. She always said she was my biggest fan. Dave Cottle

Carolyn, Dave, Conrad and all of her loved ones, your mom will be dearly missed. She was such a bright light at all of our Cottle/Doak reunions. She always looked so snappy, dressed to the nines. Her blue eyes, lashes flowing, were alive with excitement and she was anxious to share conversation about her life. She always asked about my family and what was happening in my world. She was endlessly proud, and rightfully so of her family. She was sweet and happy and vibrant way past the age that most people will be, an example to each of us in that way. She was precious. Rest in peace Frances. Love the Chuck Cottle family, Sammie Cottle and the Philip Doak family.

Frances was one of a kind. For the past 15 years, she was part of our every day life here at Kings Isle in Port Saint Lucie. We had many good times playing Rummikub - she was very competitive and always tried to beat Doreen, sometimes succeeding. Frances was full of life and always looked glamorous and dressed to the 9's. She would grin from ear-to-ear when Bruce told her how gorgeous she looked. From the beginning we celebrated Thanksgiving dinner with Frances, Dave, Carolyn and Sheila here in Point Saint Lucie. When she moved to Eustis with Dave and Carolyn, we continued to meet up for Thanksgiving and on other occasions throughout the year. We were very fond of Frances and she will be surely missed. Love to Frances, Bruce and Doreen Dullum

My wife and I first had the pleasure of meeting Carolyn and Dave over 10 years ago when we were on holiday in Las Vegas and accepted their invitation to fly to Austin to enjoy their hospitality for a few days. Our friendship developed and has strengthened over the years. We first met Mom at Port St. Lucia when her neighbours were Bruce & Doreen Dullum. Since then, our affection for Mom has grown every year when we have visited Carolyn and Dave on 4 occasions and they have only been able to visit us twice. The photo that we have submitted was taken in March 2015 and apart from numerous photos taken over the years, the memory of this wonderful lady will stay with us for ever. Our condolence to all who mourn her passing. Carol & Frank Cottle, Bath, England
