Ronald Coulter posted:

Thanks Don for launching my theatre career. The play script we found on our United States summer adventure to New York and back during our college years was the first of 10 years of touring shows and fun casts. You had enough after 128 performance of Roger Williams and Mary but Carolyn and I continued. Now you and Carolyn are gone, however, in my memory, imagination and heart, you and Carolyn stand spot lighted center stage. Love and respect Ron Coulter
