OCT 15, 1921 - MAR 24, 2016

**R**obert Guy Hague, Sr., 94, of Eustis, Florida, passed away peacefully on March 24, 2016 after a long, well-lived life. He was born on October 16, 1921 in Lore, Ohio to Howard and Lola Hague. Robert (Bob) attended Comstock Elementary School and continued his education until graduating from Miami Jackson High in 1940. He joined the Navy, and later met and married his love, Lucy Faye McFadden. He was deployed overseas and served from 1940 - 1945 during WWII. Upon retiring from the Navy, he had several jobs before his career at Westinghouse as a Service Engineer for 38 years. After retiring from his final job at ThermoKing, he made his final home in Eustis, Florida. He enjoyed anything involving the water, mostly fishing with his friends and family. He knew great fishing spots all over Florida. He was a kind man who never hurt a soul. He was always available when in need by his family and friends. Bob was a loving husband, father, grandfather, great grandfather, and a friend. He was preceded in death by his wife of 70 years, Lucy and his son Robert G. Hague, Jr. (Nancy). It is with great admiration that we remember our Great Uncle Bobby. Every memory evokes a warm smile and a fun story of growing up with our Grandpa; always leaving us with a kindred memory forever in our hearts. Over the years, we've looked forward to hearing the witty conversations he had with our mother and have always been in awe of the wonderful stories he shared. He will be greatly missed. Love, The Nakhle Kids (Jason, Aimee, Julie and Valerie)

I sure do miss my "kissing cousin". I surely will miss him. He was like a brother to me. We liked to sit around and "shoot the bull" about our in-laws and out-laws. He always had many big stories about the past and talking about jokes that got bigger and bigger. He enjoyed life to the fullest and was loved by many people. Sonny and Edna Hale

Steve Miller and Deanna Miller have asked me to write their memories of uncle Bobby that they will always cherish. Steve said when uncle Bobby and grandpa would BBQ and cook oysters they would ask Steve to join in which made him feel like one of the guys. Wanting to be like them he would choke down the slimy varmint and pretend to enjoy them as they did. Over time just as his grandpa and uncle Bobby he grew to love them as much as they did. Deanna, said her visits at Aunt Lucy's and Uncle Bobby's with grandpa and grandma will always be a great memory. Deanna as well as everyone else loved aunt Lucy's cooking. Deanna said she had fun playing with the cousins and riding around in Uncle Bobby's golf cart. She loved the stories of the past grandpa and uncle Bobby would share with them and always remembered a lot of laughing when the stories were told. Our thoughts and prayers during this difficult time and uncle Bobby will remain in our hearts forever. Deanna Maroney and Steve Miller

Uncle Bobby will truly be missed. I loved having my sister call and tell me about her conversations with Uncle Bobby reminising about the past. All of us loved him and he will be cherished in our memories forever. Mike and I know that it is hard to bear right now, but remember that death is only the end of the physical life and the beginning of an eternal life. Hold on to the happy memories that we all shared with Bobby. I have wonderful memeories of my childhood and feel fortunate that I was able to share a part of his life with allot of laughs and unforgettable memories. With heartfelt condolences, Lynn and Mike Cody

Uncle Bobby will always have a place in my heart. His sharp wit and his encyclopedic memory kept me entertained so many times. I will miss hearing his stories about his youth with my father and all the mischief those two could cause. God Bless him and I ask him to give my Aunt Lucy, my cousin Robert, my mom, dad and grandparents a message of love. We miss them but know they are all together now rejoicing in Gods grace.
