To my dearest friend. There are not enough words to express how much I will miss you. I will cherish the great times we spent together. They have been some of the best times of my life. I can say with great pride, that you have been the best friend anyone could ever have. You have been a wonderful DAUGHTER, SISTER, MOTHER, WIFE, GRANDMOTHER, AUNT, DEN MOTHER, COWORKER, FRIEND and so much more. You wore all those hats well. You have touched so many hearts with your joy, laughter and quick wit. Those memories will be embraced by all. My family would also like to express their thoughts of love and are saddened by this great loss. You will be dearly missed. I love you.. Cheryl

Our thoughts and prayers go out to the friends and family of Heidi. May you all be comforted by cherished memories of this special lady. She will live on through her children/grand children in the days/years ahead. Kelly, While there are no words to describe all that you are enduring these days, or how to make it all better, however I hope that you continue to be blessed with enough strength and peace to bring your little bundle of joy into this world in the days ahead that will bring light and hope for the days ahead and give you comfort while you mourn the passing of your mother. May you be comforted that she is at peace, will always be with you until you actually meet again one day by the Grace of God. My heart aches for you and your family at this time. Please let me know if there is anything that we can do for you. With deepest sympathy, Lindsay Chambers & Family Columbus, OH
