Dear Nancy and family -- I was so sad to read about Wendall's death in the paper this morning. You both brought many smiles and laughs to downtown Mount Dora on your many visits to Karen's Gift Shop, and I might add "a boost to the economy" too! We always looked forward to your visits and for me, a catch up on what was going on at Silver Lake. It was so fun to watch Wendall with you in the store -- he adored you Nancy, it was so obvious the way you two would cut up together, and I know how hard this next journey for you will be. I have had the pleasure to meet your three girls and together you will gather the strength and God's guidance to get through this. Love and prayers to you all, you are in my thoughts and prayers. I did not know Wendell very long, in fact I only met him a few times, but in those few meetings I learned he was a disciplined man of high principals and moral standards. I am quite sure that his family and friends will find his absence leaves a big hole in their lives. I am also quite sure Wendell would tell them to be strong and know we will meet again. Rest in God's secure arms in everlasting peace.
