My Uncle Tim was a kind hearted fun loving jokster, I remember many times spending summers with him fishing with his two sons David And Donald Witt. He would always include me like his own since my Dad worked so much and had little time to take me due to his scedule. We would all cut up always joking having a blast telling tall tales about how big the fish were we caught. He was a bit wild too, I can remember a ford escort he had and mounted a fire truck siren in it he would blast it before showing up to our house it was the coolest when I was a kid. He was a awesome cook and would get us any snacks and soda we wanted as you do when your a kid. He had the biggest heart and was a good man and I will forever remember him and I wont let his spirit die I too like to make people laugh even at my own expense thanks to him. Though I grew up joined the Army and left,we may have grew apart a little. I have never forgotten all the good times we shared and will forever remember how much of a impact he had on me, I love you Uncle Tim rest easy and say hello to nana for me fly high!
