My heart is filled with deep sorrow for all who knew and loved Jean. I was maybe 12 when first we met. I don't have a lot of detailed memories to share. However, I do recall being greeted by Jean with a warm, gentle, and beaming smile every time I did see her. I wish I were there with you all to be of support in anyway possible. I love you all and simply pray that the loving arms of our Lord embrace you and bring you comfort through your sorry. Love Kristi
