We are so sorry to hear of Jean's passing. Jean was the first to put me on a boat to go bass fishing 1980 ish. I was so green when it came our turn to launch I unhooked the trailer from the truck instead of the boat from the trailer. 6 boats and countless fishing trips later, I still remember fondly that first tournament on Lake Kissimmee with him. Fish on my friend. You are sorely missed. Mark and Mary Dykstra, Royal Pam Beach, FL

Sam & Barbara Johnson lit a candle in honor of Harrison Jean.

Dear Suzi: Our hearts are broken along with yours. We have lost a very dear friend of many years. H.J. and I along with Guy Medlock (Pee Wee) spent many happy fun filled hours together as teenagers. Our friendship was something to be treasured (the three muskateers). Every time we talked in the last few years Jean always said how fortunate he was to have gotten you to say "yes" when he popped the question. I told him he was always a lucky so and so. He loved you dearly and so do we. We know he had the best of care his last few days with you and he is resting in peace and is in God's hands now. Suzi, you and your family are in our prayers. We are always close at hand if you need our help in any way. We hold you close in our hearts. Love and condolences, your friends, Sam and Barbara Johnson or as Jean so fondly called us Bass and Bassette.

I did not know Jean well, only through my relationship with Susan, but I remember his as kind and thoughtful. Jean was in the auto-trading business and I bought a new car from a local car dealership. Just a few days after I bought the car the dealership went bankrupt. Jean was concerned for me and offered to assist if I lost money or my car. It went well but it was kind of him to offer to help me out. It is a testament to his kind spirit.
