So, so sorry to hear of this death. My prayers are with the family. Billie Jo and I go way back to late 1950s when I first came to Florida. Because we were both Kentuckians we became good friends. My memories of Billie Jo were that she was kind and very sweet person. And a lot of fun to be around. She always had a smile and was very lively. I know she will be missed by all who knew her and by her family. Billie Jo, your journey is now complete and you are in the hands of God but your time here on earth will always be remembered with love. Anne Lanier
