Christine was a beautiful person inside and out. She will be greatly missed! My grandmother Rosemary Cedron was her neighbor and Christine always treated her great all the way up to the time we moved our grandmother back home for health reasons, Chris would call or send a letter to see how things were going or to say happy birthday to her. We are saddened to hear of her passing but we are greatfull to have known her! God bless her and the family!

I will always know her as Aunt Chris and I will always remember her as one of the three great women in my life; only my mom and wife have had a greater influence on my life. Aunt Chris and Uncle Ed were my second parents and were always there for my family and me whenever we needed them (and with corrections when I need that). I will be forever grateful to God for placing Aunt Chris just two doors down and to her for the positive influence she had on my life and for the unconditional love she showered me with. My deepest sympathies and prayers go out to Tina, Terry, Dorraine, Lynore and their families. Skip Schweizer
