About 35 years ago, when i was studying ar the university in Ankara/Turkey, I met my friend Bob and his parents, Joanne and Robert. They shared their table with me. They were wonderful, loving people. Although we haven't seen each other for a very long time, I always remember them with gratitude. I can never forget their love. Rest in peace.

She was my sister-in-law hadn't seen her in years. I use to visit her in N. C., when Bob was in the Army and Lou was in the Navy in Norfolk. Then in Florida and we had lots of laughs. We went to her children's wedding and again enjoyed her company! My children are having a party for my 90th Birthday here in Florida and hoped to see her at that time. We use to sit up at night drinking and having some great coneverations. Have missed her for all these years, she and Bob. had a beautiful home. Didn't know Bob had died except for the calls from relatives from PA. I wish her peace! Nona
