"Cap" as he was affectionately known, was a genuine, truly "nice guy." He was a loving family man and he cherished his family. We will always admire the manner in which he took care of his ailing father. Cap had a zest for life, a heartwarming smile, and an infectious laugh. He was also a brave firefighter serving in many different positions for the fire service for so many years. To his family, we are so sorry for your loss and we send our heartfelt sympathy and prayers. To the angels in heaven, get ready, Cap is on his way!

The Cottrell Kids (Duncan, Sally, Leigh, and Kevin) send our condolences. We first met Cap when we all lived on Highland Ave in Eustis. Cap was a great neighbor! Our late parents and brother Stuart adored him and we will always cherish his friendship. So glad we were in touch these last few years through social media. RIP Cap.

I am sad to hear of your passing but I will always have great memories of times together. The good times of coaching midget football in Eustis together, the fire service, and teaching at Lake County Vo-tech. May you rest in peace my friend and my prayers are with your family.
