I started working with Dr. Nerad, in 1992 in Eustis. I was with him all the way of buying his house and then the great wedding he had. The birth of his daughter is all he talked to me about after she was born it was the proudest day of his life. I want to send my sympathy to his family. He never got tired of his goody boxes from his famous mother. May he RPI. Friends always. Sharon Coleman

I had the honor of getting to know and get close to Steve. I spent almost 4 years with him before his passing as his significant other. I will forever miss him. I have wonderful and beautiful memories of him to last me a lifetime. He had a gentle soul and was a sweet man. Caring and compassionate to all that were around him. He cared for every single patient he had under his care. He was truly a doctor that was concerned with his patients well-being aside from just being and overall great person inside and out. He helped many and saved people over his extensive career as a cardiologist. He loved his daughter so much as she was his pride and joy. He was always beaming and extremely proud when speaking of her accomplishments. He loved his mother very dearly as well. I'm truly heartbroken that he's no longer with us and there wont be a single day that I wont miss him for the rest of my life.

Dr Nerad has been my doctor for many years. I feel so blessed to have known him. Just saw him last Friday and we had a great talk about various subjects! He gave me a great report and said I'd probably live 30 more years! I loved his laughter and sweet smile and his warm hugs. Truly the kindest, most caring doctor I have ever had. He will be missed by all his patients. My sincere condolences to all his family. Mary, he surely loved you. He has shown your pics for years and showed your cirque de sole picture to me Friday. He was all smiles! He is with the Lord Jesus now and totally healed. We will see him again. Bless you and your family.

As a patient of Dr. Nerad, I am stunned. As a physician, he was so easy going, informative and attentive during my office visits. Even after we moved to Titusville, I would drive to Leesburg to see him as I felt so comfortable with him and his staff. My sincere condolences to his family, friends and associates. I will truly miss him. Rest In Peace, Dr. Nerad.

So many moments and memories I have shared with him I am truly saddened by the loss of this wonderful man. From the moment I met him in 1992 he became a incredible friend to me. I worked for him and shared many funny times and sad times with him. Anyone who has met Steven will tell you he would give the shirt off his back to help anyone. The kindness and compassion that he shared with everyone is a great loss. My condolences to his family and his daughter Mary whom he was so proud of. May memories of the past warm your hearts and help you to heal. Many prayers and much love..Kelly Horner
