My brother was very special to me. I still remember the day he walked me to my classroom on the first day of school in first grade. He's been a treasure to me ever since. I will miss him very much but I will see him again one day .God bless you , big brother.

I met Richard during the time I was a caregiver for his father-in-law. He and Karen would come to visit Bill and spend some time with him. He was always quiet but kind and polite. Rest in peace, Richard. You will be remembered fondly.Lauren Fogleson.
