Robert was my husband, Roberto Llamas' (1934-2020), long time partner at the Miami Heart Institute. My sincere condolences to Annabelle, Andrew and Tony. Robert and the family will always be remembered for their friendship over many years. Roberto regretfully lost contact with Robert and other colleagues at the MHI and Mt. Sinai following his stroke in 2020 but i think back fondly on those days with our children. Our family will keep both Robert and son Bruce in our hearts.
