**Mark Beers** lit a candle in honor of Diana.

My name is Mark and i live out here Oakland CA Im so sorry to hear of the passing of Diana. She was very special person to me because she was a great freind and also my caregiver for two years. Whenever i was feeling down or just needed someone to talk to she would always be there for me. She always would take me to school, doctors appointments, comic book stores, and down to lake merritt to feed the ducks and birds. When Diana and Rusty moved to Florida it was a sad time for me but the memories and good times stayed with me forever. May you rest in peace Diana, love Mark
