Crossing the Bar
Sunset and evening star
And one clear call for me!
And may there be no moaning of
the bar,
When I put out to sea,
But such a tide as moving seems asleep,
Too full for sound and
foam,
When that which drew from out the boundless deep
Turns again home.
Twilight and evening
bell,
And after that the dark!
And may there be no sadness of farewell,
When I embark;
For though from
out our bourne of Time and Place
The flood may bear me far,
I hope to see my Pilot face to face
When I
have crossed the bar.
Alan, Jason, Karen and family....sending prayers and hugs. God bless. Love
always MaryAnn, Stephen and Michael. ❤️ 🙏
